Subject: Division Directive: Reclamation Surety Required, Peck Rock and Products LLC, Soldier Pass Pumice Mine, S/049/0072, Utah County, Utah

Dear Mr. Peck:

On October 29, 2009, the Division of Oil, Gas and Mining approved your Notice of Intention to Commence Small Mining Operations (NOI) pending receipt of the reclamation surety and reclamation contract. To date, the Division has not received these items. As a result, the Division will retire the permit file unless these requirements are met. The reclamation surety has been recalculated based on the 2014 published rates and determined to be \$28,000.00 for a 3-year escalation or \$29,100.00 for a 5-year escalation. This is based on information in the following table:
